

Meet our Korean Teacher: Ashley Jang

1. I think my language is...

Scientific, cute, romantic, polite and complicated :)

2. If I have a chance, I would like to learn...

Cantonese, because I have so many friends from Hong Kong and I would like to order Yum Cha dishes in authentic Cantonese pronunciation.

3. I always want to travel to...

North Korea. I would like to meet and talk to North Korean people.

4. In the next 10 years I will...

Have my own family with a handsome husband and lovely kids. Personally, I hope that I could be a lecturer in university's Korean studies department. J

5. I wish I had...

A cute tiny Pomeranian puppy at my home.

6. The best experience I ever had was...

Traveling to Maldives. I was speechless by Maldives' gorgeous Emerald beach.

7. I'm best at...

Cooking. When I was 19, I was seriously considering dropping out of uni and going to France to enrol a cooking school instead. I couldn't make it since I wasn't brave enough to tell my parents. Well, I guess now I am happy to be a teacher who loves to cook for people that I adore. J

8. My friends always say I...

Have two different egos. 1. An amiable comedian 2. A serious girl who thinks too much.

9. My first impressions of SLS were...

Very multicultural.

10. Now I think SLS is.....

The coolest place to learn and teach language. I have worked at many different language schools but SLS is a bit different in terms of the people who work here. We are so serious and passionate about language education. I think it is the biggest strength of SLS.

11. What I love the most from SLS is...

The atmosphere of the class. My students are so friendly, passionate, intimate and cheerful. J

12. During my spare time, I usually...

Go for a walk along Cronulla beach or watch Korean dramas.

13. If I could be someone for a day, I would be...

Julia Gillard. I think it's so cool to have a hair dresser boy friend. J

14. As a child, I was...

A quick learner at school but a very cheeky girl at home. J

15. My favourite place to get away from everything is...

Beach.

16. I'm most proud of...

My parents and siblings who trust me and support me under any circumstances.

17. If I won lotto I would...

Like to travel around the world.
